

## WATCH D.O.G.S. INFORMATION NIGHT

### Tuesday February 5th

**To all Clara Barton fathers and father figures...** it is time for our Watch D.O.G.S. launch! We are looking forward to welcoming experienced dads and are also excited to welcome our new dads to the program. Watch D.O.G.S. are fathers and father figures who build a visible presence in the building and become an integral part of the school community. The program itself is simple: dads, stepdads, grandpas, uncles, family friends, etc. are asked to take one day (or half day) during the school year, and spend it at school. Duties include welcoming students as they arrive, helping/mentoring/playing educational games with students in class, eating with children at lunch, and connecting with students at recess.

**If you have participated in the program in the past** at your previous school, you may come to school between 5:00 and 6:00pm and pick your date on the calendar. At the same time, many of you will need to fill out new volunteer forms and have your driver's licenses copied since that information is good for only two years. We will be able to look this up for you. There will be cookies for you to snack on.

**If you are new to the Watch D.O.G.S. program**, I invite father figures and their students to come to school from 6:30 to 7:30 for an informational meeting. We will be serving pizza while I explain the program and show examples of what to expect when you volunteer. At this time, I will have you fill out the district volunteer forms, take a copy of your driver's license and have you pick a date to volunteer.

**\*\*Please fill out the information form and return it to school by Friday February 1<sup>st</sup>.** Be sure to check the time for the part of the meeting you will be attending.

This is a tremendous way to show your support for your student's learning, as well as make a true impact on the school community.

Hope to see you there,

Jon Hodgson and Jody Hagler

Watch D.O.G.S. Coordinators

## WATCH D.O.G.S. CONTACT INFORMATION

*Check which statement applies*

I am a returning dad and will be signing up between 5:00-6:00pm

I am a new dad and will be attending from 6:30-7:30pm
